News From Your TOWN HALL

Commissioner VanLandingham, father of the house-numbering proposal, had the satisfaction of making the motion putting the final okay on the proposition.

Frank Willer, Scoutmaster, and his boys, will have the selling of the numbers and have been busy in working out the details of the plan.

When the boys come around offering you numbers, "don't say 'price is high,'" Mr. Willer says are a bit too high, but give the boys credit, they're doing some work for the money, and all the profits go toward the Scout fund.

Some time when you get to cussing the Commission, just go up and sit thru one of the meetings—you'll wonder why they don't hire a City Council to listen to the tales of woe, and leave them time to do some constructive thinking about running the City.

If you think running a City the size of this is a cinch, answer these questions:

Just where is the sidewalk level in the City?

How're you going to pay for the storm sewer and sewage disposal plants?

Where is the business section of the City going to spread?

How are you going to encourage building when the code calls for metal tubing and there ain't none available?

There's lots of other each meeting.

Equipment Stolen From Parked Truck

D. W. Stokes, of Canal Point, Monday reported to the Belle Glade police that a Delaware truckman had pilfered from his parked truck, 55 gallons of gasoline, wheels, tires and other equipment, in a sum that would aggregate grand larceny. Police warnings were sent out to east coast and northern points to watch for the truckman and apprehend him if possible.

Mrs. Bair To Instruct Sewing Classes

As a project for the Home Demonstration Club, Mrs. Roy A. Bair is planning to conduct a series of ten lessons in sewing. These classes will be held in the evening from 8 to 10 o'clock at Mrs. Bair's home at the Experiment Station, and those interested are to contact her by January 29th. This will be limited to eight persons, and details may be obtained from Mrs. Bair.

Will Get Farm Laborers

After strenuous appeals and work from Florida sources, the Department of Agriculture at Washington, announces that it will apportion 2500 East Indies laborers to Florida, for use in the March and April farm harvest period. This release of laborers from the Glades farmers, as the need of more workers was apparent for harvest work in that period, in the Federal court.

Cane Knife Brings Trouble

If any of the colored ministers over in colored town could have a congregation the size of which gathers at police court each week, he would indeed think he had a very sizeable assembly.

One of the good brothers of the church, who has been here since 1931, and who sits as sort of a trouble shooter among his flock, according to his say, got into court for the first time, when he was arrested for using a cane knife on a fellow creature. The old lad was a good talker but could not persuade the Master that he should not pay a fine of \$25 and costs, which he did.

The mayor increased the involuntary roster of his street workers when he assigned a number of them to hard labor for second and third appearances in court.

The Rev. I. E. Enlow and Donald Weeks attended the State Baptist convention in Jacksonville this week.

Details on Commissions Announced By Army

Complete details regarding opportunities for commission in the regular army were announced here today by Capt. Thomas A. Murphy, commander of the local army recruiting station at 704 Comeau Blvd., West Palm Beach.

Recently enacted legislation authorizes an increase in total officer personnel to 25,000, Captain Murphy declared, and applications are now being received to fill the commissions made available.

Any male citizen who served as an officer any time between Pearl Harbor and last December 28, is not over age in grade, and was honorably discharged or is now in service, is eligible to receive a commission.

Commissions will range from second lieutenant thru major, but applicants will not be eligible for a grade higher than that of second lieutenant. Enlisted men who served as officers are also eligible to apply.

Application forms, which may be secured from the army recruiting station, must be completed and in the Adjutant General's office in Washington, D. C., not later than March 1.

If given the opportunity by the commissioning authority, Everglades sugar producers could increase production approximately five times if the threat of sugar quotas by the government were removed.

Josiah Ferris, Jr., assistant to the president of the United States Sugar Corp., today told members of the Coral Gables Breakfast club,

"If given the opportunity by the commissioning authority,

Everglades sugar producers could increase their output to half a million tons and provide employment directly and indirectly, for 78,000 persons."

"True, the quota section of the Sugar Act was temporarily suspended by decree of the late President Roosevelt," he said, "but by the same token, quotas could be reinstated at the will of the government."

While domestic sugar producers and farmers generally have

"taken a new lease on life since the appointment of very capable Miami, West Palm Beach,

Could Up Sugar Production 5 Times Without Quotas

Everglades Natural Habitat of Sugar Cane Production

To aid a sugar-short nation, Everglades sugar producers could increase present production approximately five times if the threat of sugar quotas by the government were removed.

Miss Alberta Potter, who has been serving the chamber as secretary, announced to the directors present that she was resigning that position owing to the press of other duties.

This means that the chamber directors will need to look around for some efficient person to take over these important duties.

A good secretary can do much to build a town up, and Josiah Ferris, Jr., president of the United States Sugar Corp., told members of the Coral Gables Breakfast club,

"If given the opportunity by the commissioning authority,

Everglades sugar producers could increase their output to half a million tons and provide employment directly and indirectly, for 78,000 persons."

Get Income Tax Service

Most every one is getting busy these days getting up their date for making their 1945 income tax returns. Any one making use of the \$500 deduction return even though their deductions make it unnecessary to make any payments to the Government.

Individual taxpayers must make these reports not later than March 15th, and to aid such as may require, and want assistance in preparing their returns, a Government official will be in Belle Glade on February 2nd and 6th, with hours from 10 to 5 o'clock, and such service will require no payment.

If you enjoy harmonizing, sprinkled with some classical music, you will surely feel well repaid for the trouble and cost to hear them. And the school library will bring you that.

Eileen Howington Celebrates Birthday

Eileen Howington was honored with a party Monday afternoon in celebration of her third birthday by her mother, Mrs. J. D. Howington. The children played in the City Park, then returned to Eileen's home where group photographs and ice cream was served by their hostess. The guests included June Ruth Kirk, Charles Will, Sue Ellen Boone, Jerry and Corky McKee, Neal Livingston, Mrs. Anna Tilley and Kathleen Wilson. Mothers attending were Mrs. Ralph Kirk, Mrs. Hubert Tilley, Mrs. L. E. Will, Mrs. Dorothy Wright, Mrs. Luther Jones, Mrs. H. J. Howington and Mrs. W. R. Wilson of Pahokee.

To Resign As Official of Chamber of Commerce

The scheduled meeting of the Chamber of Commerce Monday night did not materialize owing to lack of a quorum, as quite a few of the directors were out of the city on business, including the president.

Miss Alberta Potter, who has been serving the chamber as secretary, announced to the directors present that she was resigning that position owing to the press of other duties.

This means that the chamber directors will need to look around for some efficient person to take over these important duties. A good secretary can do much to build a town up, and Josiah Ferris, Jr., president of the United States Sugar Corp., told members of the Coral Gables Breakfast club,

"If given the opportunity by the commissioning authority,

Pascal Celery Is Now Hitting The Markets From Glades

John Tiedke The Lettuce King; Potatoes Hold High Prices

Despite the "holiday" on celery cutting this week, there has been a considerable movement of the succulent vegetable. Green and white gettins into the green and white. Pascal crop, every one who has tasted this fine crispy product pronounces it tops. This celery is as fine as any ever shipped out of the Everglades. A slightly improved market for celery is also reported.

Package group shipments from the Belle Glade packing houses the past week are estimated at from 20 to 25 cars, mostly green, celery, cabbages and other fancy species in mixed loads. Truck so carried went mostly to eastern and central states markets. Many truckers had to wait over to secure their cargoes.

Some of our Everglades potatoe and beans are finding their way to California markets by freight. The Pompano market is booming in the bean business as the "belated" crop is now in full swing. Report is that demand for beans is good, at favorable prices.

Potatoes are still tops in the price field, and while movement

Modern Flower Shop Opens In Belle Glade

Tommy Creech, nephew of Bob, and son of one of the pioneer brokers of the Glades, Louis Creech, is joining forces with Miss Sarah Lee Creech in opening a florist shop in Belle Glade.

Tommy, whose early service as a member of the armed guard on merchant ships, was on the receiving end of considerable activity of the Germany navy and air force to and from, and while getting into the German and white. Pascal crop, every one who has tasted this fine crispy product pronounces it tops. This celery is as fine as any ever shipped out of the Everglades. A slightly improved market for celery is also reported.

Package group shipments from the Belle Glade packing houses the past week are estimated at from 20 to 25 cars, mostly green, celery, cabbages and other fancy species in mixed loads. Truck so carried went mostly to eastern and central states markets. Many truckers had to wait over to secure their cargoes.

Potatoes are still tops in the price field, and while movement

Rashley Improves Store

J. R. Rashley, our pioneer watch maker and jeweler, has recently made a complete renovation of his place of business, so that he has a mighty neat and smart appearing store. The floor is carpeted, the cases rearranged and son Robert has been elevated to higher regions with his work desk, while Pa Rashley sits down in front of his old stand.

Miss Jones has also been added to the sales staff, and a new phone, installed, call 353; and an extensive line of jewelry added.

Building New Home

F. C. Markham, one of the two men in Belle Glade, has broken ground for the erection of a modern home down in 16th Avenue F property. The new building will be 24 by 40 feet, and will contain six rooms and a bath.

Local Banking

Houses Hold Their Annual Meetings

The annual meeting of the stockholders of the First National Bank at Belle Glade was held January 16th, and at that time the old board of directors and officers were re-elected to serve in their respective capacities.

The officers chosen were:

President, Leonard A. Usina; vice president, Dean S. Campbell; vice president and cashier, Milton L. Campbell; assistant cashiers, Frank H. Willer and Mary C. Pope.

The directors are: Dean S. Campbell, Milton L. Campbell; H. L. Haney, E. E. Kelly, Leonard A. Usina and Mrs. Ruth Welpwod.

Reports of the past year were made and directors and officers alike were highly pleased with the handsome showings made in the recent bank statement. They are more than ever convinced that the placing of one of the Florida chain banks in Belle Glade was wise, and that it is appreciated by the patronage received during the four years of its existence.

The annual meeting of the Everglades Federal Savings and Loan Association was held recently and C. E. Riedel and Herbert Beck were re-elected for three year terms as directors. The board of directors will meet at a later date to select its officers.

A semi-annual dividend of 1 1/2 per cent, from July to December 30, was authorized, and same is now payable to the depositors.

Any institution which can make the progress which this home owned institution has made during the past six months and year, can feel proud of its accomplishments, as it has now entered the "big business" class in the community it serves. The body took action commanding its secretary-treasurer, Hugh J. Bratley, on the manner in which he handled the business and other affairs of the association for in him have a careful and conscientious administrator.

A hand-in-hand development with the cattle finishing industry of a high protein Glades feed, made by blackstrap, corn or potato pulp, indicates a logical for step with an all-Glades grown feed. "Boughten" feed in a cattle finishing program does not provide economical use of the lands and doesn't tend to increase the farmer's pocketbook.

With 25 varieties of winter vegetables shipped in car lots, cattle feeders, grain and potatoe producing the basic food needs, what can stop the full utilization of the rich muck and a diversification unbeatable in agricultural areas?

Will Do Jury Duty

City Commissioner Lee Puckett was summoned to Miami this week, where he has been called to serve as a jurymen

Ramie Given Boost By Authorization Of Laboratory Here

Tallahassee Gives Authority To Go Ahead on Building

Governor Caldwell by wire Tuesday afternoon that the Board had okayed the appropriation of \$16,000 to the Everglades Experimental Station for the purpose of a ramie experimental laboratory, the plans for which are on hand. This action follows a recent trip by John to Tallahassee to ask for this particular authorization.

In the fight for increased appropriations for the Everglades Experiment Station in the last legislature, Bollinger forcedly brought out that the local station had not had anything but decreases in the past ten years in its appropriations.

The county's members successfully carried an appropriation for additional buildings at the station, and it is hoped that authorizing for spending this money will be forthcoming soon.

Dr. Allison of the station says: "There are a lot of questions about a more successful ramie industry that we can answer in the laboratory. Quotations of cultural practices, seed selection and harvesting on the fiber of the plant may be some enlightening information brought to light."

The two processing plants now being built in the Glades are proud of the laboratory and are anxious to work in it.

As a result of the increased interest in ramie, the state legislature appropriated \$10,000 for the construction of a new laboratory at the Experiment Station.

Carl H. Herman, chairman of the Educational Committee of the County Resource Committee, has written to the County Board of Public Instruction, recommending the building of educational facilities, for young men and women to take advantage of the opportunities for education in such trades and arts as might be taught, and thus help out greatly in the demand for such technical and professional services, which are in demand here all the time.

This looks as if this was an opportunity where the combined civic clubs and industrialists of the Glades could get together and form a movement to back the Herman suggestion to make it come into a reality.

In such a school, vocational studies could be perfected and the youth make application of their learning in such trades and arts as might be taught, and thus help out greatly in the demand for such technical and professional services, which are in demand here all the time.

Any institution which can

make the progress which this home owned institution has made during the past six months and year, can feel proud of its accomplishments, as it has now entered the "big business" class in the community it serves. The body took action commanding its secretary-treasurer, Hugh J. Bratley, on the manner in which he handled the business and other affairs of the association for in him have a careful and conscientious administrator.

A hand-in-hand development with the cattle finishing industry of a high protein Glades feed, made by blackstrap, corn or potatoe pulp, indicates a logical for step with an all-Glades grown feed. "Boughten" feed in a cattle finishing program does not provide economical use of the lands and doesn't tend to increase the farmer's pocketbook.

With 25 varieties of winter vegetables shipped in car lots, cattle feeders, grain and potatoe producing the basic food needs, what can stop the full utilization of the rich muck and a diversification unbeatable in agricultural areas?

Observation and Comment

By John M. Gledhill

Under the present Income Act, there are provisions for certain reductions which may be made in the amount of income tax paid. One of these is for medical expenses and other health expenses. An expert accountant of mine tells me that I could take a reduction of the expense of having teeth extractions made and the cost of a set of store teeth. Well there goes a \$125.00 reduction on the old Judge's return.

Found out a number of facts about the trucking on of the Glades to the various produce markets of the nation, which were interesting to me and may be of interest to my readers. How long does it take a truckman to wheel his cargo to the respective markets which they serve? Well, there is a schedule given me by

A WORD OF True Appreciation

The Florida and national duck hunting season has just closed; some hunters had good luck, others not so good, but all had an average season.

I desire to thank the patrons of our camp for bearing with our primitive facilities this season, maintaining under favorable conditions.

We promise that in 1946 our camp will be well equipped with motors, boats and housing facilities, so there will be no need of making advance reservations, or waiting around for a chance to hunt. Our expansions will provide for the best of service to hunters and fishermen in season.

for place to continue his studies at the Cincinnati College of Morticians.

The wedding date will be announced later.

COUNTY COUNCIL TO MEET WITH LOCAL CLUB

Home Improvement was the subject at the meeting of the Home Demonstration Club on Thursday afternoon at the Club House. The club creed was read by Mrs. H. E. Shannon, and the business session was presided over by Mrs. W. T. Elder. The roll of visitors answered by members describing their own improvement made in their own home. It was announced that the County Council would meet here on February 16. The following were elected as chairmen: Mrs. W. R. Hooker, gardening; Mrs. Vernon Jones, canning; Mrs. Elder, clothing; Mrs. D. D. Dickey, home improvement. Miss Bertha Hauseman, county agent, displayed new cooking utensils that are now on the market and conducted a questionnaire on meat cutting.

A guest, Mrs. R. Olive of the Military Trail Club, was introduced.

At the close of the meeting, refreshments were served by the hostesses, Mrs. Roy Bair and Mrs. Spottswood Burr.

Girls Take Part In P. T. A. Program

Physical education was the topic for the program for the January meeting of the Parent Teacher Association. Miss Katherine Laverty, school director of physical education for girls presented a number of girls' games and sports, some of which included folk dancing, calisthenics, relay racing, volleyball, ball set-ups, and basketball drills. Girls participating were Betty Bass, Louise Henderson, Martha Parker, Marguerite Campbell, Geraldine Drea, Patricia Lovell, Betty Lou Powers, Joann Livingston and Mary Elmer Kidder.

Roscoe Bradlock, president, presided over the business session, during which time it was voted to send a representative to the city commission to join a cooperative movement with other organizations to build adequate foot bridges and side

walks over the canal and along the road that is now being repaired to safeguard the school children.

G. R. Townsend was elected chairman of the Canal Side committee with other parents, who were invited to meet to serve as den mothers and fathers, so that this Boy Scout work with the younger boys may become more active.

Junior high and the first grades were the winners in the attendance contest by having the most parents present.

At the January meeting refreshments were served in the cafeteria by Mrs. J. A. Pike, Mrs. Joe Cherry, Mrs. J. L. Freedlund and Mrs. Thomas Bregger.

Steve Weeks Has Birthday Party

Mrs. W. W. Weeks entertained Monday afternoon at their home in honor of her son Steve, on the occasion of his third birthday. Guests included and a number of ready-filled telephones and ships were presented to each guest. Birthday cake and other refreshments were served by Mrs. Weeks. Children attending were Mary Anne Tilley, Sue Ellen Boone, Janet Ruth Kirk, Barbara Kirchman, Patty Insley, Shani Bell, Sad Jerry Edwards, Young Creek, Frances and Joe Fontaine, Terry Browning and Bill Weeks.

All West Palm Beach Open from 8:00 AM to 4:00 PM April 1st.

Return on REAL ESTATE, TANGIBLE AND INTANGIBLE PROPERTY should be filed at this time. I respectfully urge all taxpayers to meet me at the various places mentioned here to have this tax problem which you may have.

For further information, call me at 25-1000. The Tax Assessor's Office in the County Court House will be open for the purpose of receiving returns. If your return can be filed, it should be filed now, not a homestead exemption application be accepted.

I shall be glad to mail the necessary blanks to anyone upon request.

JAMES M. OWENS, Jr.
County Assessor of Taxes, Palm Beach County, Florida

Pub. Jan. 25, 1946

Houses vs. Homesites

To the families of Belle Glade, Florida, and vicinity, returning service men, and people seeing the opportunities of this great community, the Housing Division of the E. H. Borchardt Co., has for prompt delivery, HOUSES—houses that have withstood the test of all climates in the service of the United States Government all over the globe.

At a special meeting of the City Commission to consider the advisability of issuing permits for the erection of these houses, it was brought out in discussion by a member of the Commission that these same type houses had safely withstood the 125 mile wind of the hurricane that struck Key West last fall, while apparently more substantial structures had collapsed.

These houses are durable, practical, attractive and most important of all AVAILABLE and can be erected quickly to relieve your necessity for immediate, comfortable living.

See these Homettes in Chosen south and west of the Chosen bridge. Larger apartment Homettes ready for inspection in a few days.

Move in at Once

Priced at \$3,590

Large Lot Included

Housing Division THE E. H. BORCHARDT CO.

We also have HOMESITES in the Exclusive Holloway 3rd division. Highly restricted.

Indian Mound Park

IS BELLE GLADE'S MOST HIGHLY RESTRICTED HOMESITE

Those who have long waited for an opportunity to own a HOMESITE ON THE INDIAN MOUND, will be glad to learn that we have purchased this property and are subdividing it into TWENTY-SEVEN HOMESITES each of 95 feet frontage

Grading has begun, and engineers are laying out the plots, ready for rock to be placed on the streets, which will be done as fast as practicable; shrubbery will be planted.

City Water has been arranged for, and will be installed.

YOU ARE BUYING THESE IMPROVEMENTS WITH YOUR PROPERTY.

INDIAN MOUND PARK

HIGHEST IN ELEVATION

The Indian Mound was selected by the Indians as a burying ground because it was the highest — it hasn't shrunk any more than surrounding lands.

HIGHEST IN QUALITY AND RESTRICTIONS

Restrictions are modeled after those of some of the best East Coast subdivisions and are complete and enforceable to maintain the high class home building intended.

MOST MODEST IN COST

The prices of \$1400, \$1500 and \$1600 are comparable to whatever you will find in less desirable locations.

SOUTH BAY
BEAN CITY
LAKE HARBOR

Vernon Henderson, W.T. 1-c, who has been in the U.S. navy for the last four years, landed at San Diego recently and is expected home on leave within a few days to visit his wife, and his parents, Mr. and Mrs. J. A. Henderson, at Lake Harbor. He still has two years of enlistment to serve.

Mrs. D. L. Shiver and infant son Danny arrived home from the Ft. Lauderdale hospital on Tuesday. Pvt. Shiver, who has been on furlough since Christmas, leaves Thursday for his new base at Washington, D. C. For the past six months he has been stationed at Keeler Field, Miss.

Mr. and Mrs. Cecil Wooten and son Bobby have moved their trailer home on the rear of the lot.

Mr. and Mrs. R. S. Donaldson were Thursday dinner guests of Mr. and Mrs. Joe Cato in Clewiston.

Mr. and Mrs. Leland Keene and daughter Patricia Ann have returned from a week end visit with her aunt and uncle, Mr. and Mrs. Riley Barnes and family.

Mrs. Tammy Hobbs of Clewiston was the week end guest of Mr. and Mrs. Floyd Wilder and family.

Mr. and Mrs. Eddie Kennedy and his mother, all of Fort Pierce, were Sunday guests of their cousin, Mrs. E. M. Willits and family.

Mrs. Olga Hardy was taken to the hospital last week and her third and fourth grade room is being taught by Mrs. F. W. Mutchler.

J. M. McGowan and C. H. McGowan of Geneva, Ala., uncle of Mrs. W. M. Jeffries, and his parents, Mr. and Mrs. J. W. Austin of Lake Park, spent Sunday as the guests of Mr. and Mrs. Jeffries.

Mr. and Mrs. S. M. McAllister and family motored his mother, Mrs. J. H. McAllister, to Lakeland Saturday to visit another son, E. G. McAllister, after the site will be his home at Ashburn, Ga. En route home the McAllisters spent Sunday in Bowling Green visiting Mrs. Jewell Maples and family. Mrs. Maples plans to come to Clewiston early in February to spend the summer with her daughter, Miss Alden Maples.

Mr. and Mrs. Julius Cox and children Anna Dell and Raymond, who have been occupying the R. L. Wilder home, moved back to Key West recently.

Vinson Henderson, formerly of Lake Harbor, has just purchased the Texaco station in Pahokee. Harry Swain will be the manager.

Mr. and Mrs. Tom Taylor, whose marriage was a recent event in Louisiana, have arrived in the Glades and will make their home with his mother, Mrs. Tom Taylor, in fact, his late bride. Mrs. Taylor recently received his discharge from the Army Medical Corps after serving four years. He was stationed in India.

Mr. and Mrs. Bob Booker and family have returned from a four year sojourn in Pensacola and are making their home in Clewiston. They are former residents of South Bay.

Mr. and Mrs. R. S. Donaldson were overnight guests of Mr. and Mrs. E. W. McLeod and family in Clewiston Saturday.

Mr. and Mrs. Thomas Weather and daughter Judy have taken up their residence in the superintendent's house at the U. S. Sugar Corp. plantation. Mr. Weather having recently been placed in charge of this sugar zone.

Mr. and Mrs. J. W. Warren and family spent Sunday visiting in Miami.

Mead Willits was appointed president of the South Bay Parent Teacher Association on Monday night to fill the unexpired term of Mrs. S. M. McAllister, who resigned on account of her health.

Mrs. J. C. Wax of Amory, Miss., is the house guest of Mrs. G. J. Barstow. Mrs. Wax visited in South Bay some 20

years ago when the Everglades was a real pioneer community.

C. B. Ming of Montgomery, Ala., visited his mother, Mrs. L. O. Ratley, Sunday. He is connected with the Hooper Construction company.

Mr. and Mrs. Leland Keene are having their cottage exterior walls shingled and painted.

Getting Streets Rocked

V. N. Greer has completed the rock surface on Second street, southeast, in the new Royal Palm subdivision being developed by S. J. Fisher.

Mr. Green is also rock surfacing Main street, South Bay, Collier subdivision. The street runs north and south thru the main part of colored town. Rock for the two streets is being hauled from the Greer rock pit near Six Mile Bend, below Belle Glade.

Missionary Speaks

Rev. Ted Temoshenick was in charge of the services at the South Bay Baptist church Sunday both morning and evening. At the evening service he spoke on communism and warned the congregation that there was real danger to the United States republic from the communists.

This is one of a series of pictures being shown at the school and proceeds will be used to maintain or buy needed films and for the upkeep of the school projector,

which is also being used in regular school work.

Next Sunday Rev. Oswold of Bonifay will preach at the Baptist church morning and evening.

Jane Alton Honored

Mrs. W. C. Allen entertained a group of young people Saturday afternoon at a party in honor of the 100th anniversary of her daughter Jane.

Games and contests were provided for the entertainment of the young guests. Cake and ice cream were served to Byron and Marsha Walker, Norma Jean Lovell, Jimmy Williams, Elizabeth Lockmiller, Eugene McAllister, Dorothy Wickham, Mrs. Hardy, Judy Weather, Virginia Kolose, Pauline Rooney and Donna Fay Walker, Bobby Worren, W. C. Pate and Miss Katie Crawford and Mr. Allen also were present.

Schools See Tom Sawyer

The school is putting on a picture show in the school auditorium Thursday evening. The picture is to appeal to young and old, "The Adventures of Tom Sawyer."

A new building for a mint oil distillery is now under construction on the Kress farm on the Pahokee road, which will be an added industry to the Glades ever-growing list.

Hubbell Marries Couples

Judge G. H. Hubbell, notary public, reports the performance of marriage ceremonies of the following couples of this city: William L. Fowle and Mrs. Arabelle Simon; Jim Shuler and Connie Pfeifer; J. O. and Betty R. Greer; John K. Willis and Hilda M. Wilcher.

Yes, little girl,

Your grandmother bought
your mother's clothes here, too!

We are sentimental about our children's department, The Juvenile Shop. We have outfitted many children in this city from layette to trousseau and then had them come back for their own children's layettes. Children are a specialty with us, from the first breath to the first prom. Our Juvenile Shop now has the most varied assortment of customers in its history.

We have big plans for the Juvenile Shop. It's crowded now, but before long we hope to give it the space it deserves. It is at least crowded with good things, fashions that share the prestige of Anthony Quality, the quality that is our own high standard of what our merchandise should be, at prices for one and all.

Youngsters of today have very definite ideas about fashion, and we find that they are never too young to learn that good quality clothes are the most economical in the long run. Quality in our Juvenile Shop is expressed in fashions of sound styling, careful workmanship, good fabrics and a wearableness that assures economy. Juvenile Shop Clothes, styled for young Americans from tots to teens, are backed by this tradition upon which mothers have depended since Anthony's Juvenile Shop was opened.

This is No. 15 of a series

Fishermen Get Ass'n Under Official Regime

At a recent meeting of the Lake Okeechobee Commercial Fisheries Association, held at the court house at Okeechobee, which was largely attended, permanent organization was effected. Officers elected were: President, William Hendry, of Okeechobee; vice-president, R. E. Belle Glade; secretary-treasurer, secretary of the Okeechobee County Chamber of Commerce.

A number of new members were added to the roster, and chairman of county membership committees will be Okeechobee, Hendry, Belle Glade, Recto, Perry, Green, a member of merchants from Okeechobee. Moore Haven, Lakeport and Clewiston were present and went on record in favor of keeping the lake open to commercial fishing.

The St. John's river fishermen have organized a like organization to the Lake Okeechobee Association and the associations will soon have a joint meeting at Orlando, to work out mutual working arrangements, and legislative suggestions.

OBSERVATIONS

(Continued from page one) one who makes many trips a year: To Baltimore, 30 hours; Philadelphia, 50; New York, 48; Boston, 60; Chicago and Cleveland, 48. In this case, the associations are few and far between, which shows some wise head planning and financing.

The Department of Agriculture at Gainesville is sending a number of its young trainees to the Everglades station, where they can put into use the book learning they have picked up. Dr. Allison now has some very bright young chaps out there with him, who are showing their worth as students of the big farm program and experimentation work carried on at the station.

The Western Union has recently installed in the offices of the American Fruit Growers and Borchardt Company, two new teletype writers, development of the west period and recently the two new departments, and are the very latest in transmission service. It is an instant open line station to station, calls, messages going by the printed method, so that all said by both ends may be referred to in case of misunderstandings or disagreements. The machines are of great value in time saving and handiness.

Amazing the amount of sugar cane consumed by the negroes for eating purposes. Dealers in negro town always have a supply of same for sale by the stalk or stick and it is most common about the quarters and packing houses to see them sucking at the cane sections, for the sugary contents of it. It is a food to them.

QUICK RELIEF FROM STOMACH ULCERS DUE TO EXCESS ACID
Free Booklets of Home Treatment that Must Help or It Will Cost You Nothing
Over two million bottles of the WILLARD TONIC are sold every year to relieve symptoms of distress arising from stomach ulcers, heartburn, indigestion, Poor Digestion, Sour or Upset Stomach. markets on schedule or they are in hard luck.

Some one thought the old Judge should keep his eyes young, so has placed a most attractive calendar in a position whereby people can picture on the calendar is a very pretty one, but not too assertive of the contours of the form, but nevertheless good to look upon. A real lass of the type exhibited would be most attractive in some young man's home, but not for the old man, no, no.

The men of the Glades, who keep the wheels of industry going are a hardy and healthy set of fellows, who go about their business in an independent manner and are asking favors of no one, except God, and their appeal to him is no frost, no snow, no rain, no wind and good markets for produce. If their prayer is answered, then when the summer up comes in June, which is the income tax period for most of the operators, there is going to be a reasonably successful season return. Our crop season population, and our visitors from every section of the nation, once they come to the Glades, they seldom fail to return. Business failures in the Glades are few and far between, which shows some wise head planning and financing.

The Department of Agriculture at Gainesville is sending a number of its young trainees to the Everglades station, where they can put into use the book learning they have picked up. Dr. Allison now has some very bright young chaps out there with him, who are showing their worth as students of the big farm program and experimentation work carried on at the station.

SUGAR MARKET

Continued from page 1

Tampa and Orlando, a smaller amount to points in Georgia and North Carolina points, none further north on the big long distance hauls.

The trucks seen parked along the highway and canal banks are those of truckers who come for loads, and when no more or another are held up here, so they park at the most convenient spots available, but later load at the packing house center. Some have to wait from one to three weeks, and while here the truckers spend their漫漫 months in Belle Glade, and in other chosen personal ways.

There are other business places on the corner, but "Pete" is not accountable for their congestion, and does not want to be held responsible for such condition, when I have nothing to do with it.

"Sue" I could move my place, but even then, I doubt if conditions would be improved.

We need these long distance haul truckers, both to move our crops, and also because they are good patrons of our city hotels, boarding houses, restaurants, and other places where they cannot afford to pay up bars and restrictions that will drive their business and patronage from town.

BELLE GLADE'S NEWEST! GLADES DELICATESSEN

Second Door East of Bank

Open Saturday, January 26th

FRESH ORANGE JUICE

We will serve Juice from the famous Indian River Orange from the Loxahatchee Groves, prepared as you order it.

The GLADES DELICATESSEN offers several kinds of Sandwiches for a tasty lunch down town, or to be taken out, or a special luncheon plate consisting of several delicious home cooked foods from our own kitchen.

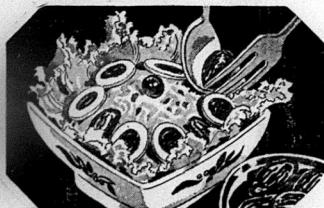

Our BUSINESS MEN'S LUNCH, served daily from 11 until 2, will vary daily, and will surely meet the most fastidious taste.

OUR CHEF

prepares daily in our own kitchen large fresh BOILED SHRIMP just right for salads or an appetizing cocktail; tender juicy BAKED HAMS, or a pot of HOME BAKED BEANS.

What is better for a cold luncheon than Baked Ham and tasty potato salad prepared fresh each morning?
